

Everest Academy Korea

Everest Academy is an English Immersion Kindergarten that implements the Integral Formation model to form Korean students into their best selves. We offer a rigorous, hands on, joyful learning environment and care for every individual child. We have many events and celebrations throughout the year, striving to involve our families and communities in all we do.

Everest Academy Korea features:

- ★ *Theme Based Learning*
- ★ *Field Trips & Special Events*
- ★ *Cross Cultural Discovery*

Join our team!

We are looking for qualified teachers who are interested in growing their students intellectually, spiritually, humanly, and apostolically.

If you are interested, please email your resume and any questions to the Academic Director Jacqueline Creed at jecreed11@gmail.com.
